

# YOUNG BLAKE EXPEDITION TO THE KERMADECS

8 -19 AUGUST, 2012.

Young  Blake  
expeditions

**The Sir Peter Blake Trust is seeking 30 New Zealand secondary school students, aged 15 – 18, with leadership potential and a passion for the environment, to join the Young Blake Expedition to the Kermadecs**

This is your chance to travel to Raoul Island on HMNZS Canterbury with a crew of subject experts, scientists, artists, educators, communicators and leaders. Delegates will have the opportunity to snorkel in one of the planet's pristine marine environments and gain an understanding of the marine biodiversity of the Kermadecs, to experience life on Raoul Island and the work of the Department of Conservation there, to develop leadership skills, to explore the island's dramatic and challenging terrain and learn about its history, flora and fauna.

Apply now to represent your school and region at the 9th annual SIR PETER BLAKE YOUTH ENVIROLEADERS' FORUM, to be held in Auckland from 15 – 19 April, 2012, and you could be selected to follow in Sir Peter Blake's footsteps on a once-in-a-lifetime adventure to one of the planet's most unique and special places.
